

We offer affordable before and after school childcare. Our aims:

- To make childcare for parents easy, stress free and, most importantly, affordable for parents
- For our programme to be accessible for all children and parents
- To help children make healthy choices with their food and lifestyles

We will work with your school to ensure the transition from school to wrap-around care is seamless and stress free.

All of our coaches are DBS checked, safeguarding trained, first aid trained, and food hygiene trained.

We can take childcare vouchers from 20+ different providers as well as Tax Free Childcare.

We offer peace of mind. We take full responsibility for all admin and delivery of our breakfast and after school clubs.

## Breakfast Club

Children will be welcomed with a healthy breakfast. This will be on offer for the first 30 minutes of the club.

Breakfast includes:

- Toast
- Cereals
- Fruit
- Healthy fruit drinks & smoothies

After breakfast, children will have a variety of quiet games and puzzles to enjoy. Children will also be encouraged to take part in a light active session. Research shows that exercise and activity before school can provide a positive energy boost that will last children the whole day and will improve concentration and participation in class.

At the end of the club, we are able to escort children to their classroom or an agreed place as per the school's requirements.

## After School Clubs

Children will either be collected from classrooms or be welcomed by our friendly staff. Children will be offered a healthy snack to keep them going until home time.

Snacks include:

- A carbohydrate (roll, wrap, bread or toast with a variety of healthy fillings or toppings)
- Fresh fruit or vegetables
- A healthy fruit drink or smoothie

After a snack the children can unwind with a large variety of indoor and outdoor activities including table games, board games, puzzles and more. Lego building competitions are always popular in our after school clubs!

Pick-up at the end of the day can be at a pre-determined location as agreed with the school.
